Dear Sir:

Thank you for requesting our list for your files, but we do not publish one at present since most of our business is the sale of cut flowers of "Bird of Paradise" (*Strelitzia*). However, we do, upon request, quote on *Strelitzia* plants in sizes from one-year seedlings to divisions of 15-year old clumps.

We also carry a stock of *VELTHEIMIA VIRIDIFOLIA* bulbs in practically all sizes up to nine year old bulbs which produce from four to six divisions of foliage.

Other miscellaneous bulbs grown here include *Ismene calathina*, *Pancratium maritimum*, *Kaempferia*, *Eucomis*, and a fair-sized stock of tubers of *Gloriosa Rothschildiana*.

Very truly yours,

*E. H. King*
